International Harvester To Have Showing

Claiborne Inge and R. B. Martin, of Appomattox Truck & Tractor, Inc., International Harvester Company dealers in Appomattox, were in Chicago recently attending an introductory showing of the new line of International Harvester tractors just off the production line.

In addition to six basic power sizes and many different models of Farmall and International tractors, they saw a number of new McCormick farm implements also introduced at the company showing, attended by most of the 8,500 Harvester dealers and sales personnel in the United States and Canada.

The new line of tractors is in keeping with the trend towards larger and faster operations, both on the farm and in industry.

There will be a demonstration of these implements, etc in Richmond, Va. on Thursday, Sept. 11. The local dealers are offering free transportation to local farmers desiring to attend the Richmond showing. It is requested that all such interested, come by Appomattox Truck and Tractor, Inc., on Route 460, in the town, and register for the trip at once.
